

Historical Society of Clarendon VT

December 19, 2019 6PM Town Hall

Bob Underhill, Heather Kent, Phil Mandolare, & Becky Mandolare were present.

We discussed what our options might be for pursuing a home of our own and what some of the associated challenges and opportunities might be.

We also began the discussion for how to go about our 2020 membership renewal.

At the January meeting we will discuss what speakers and other events we might want to have in 2020.
