The Clarendon Town Wide Yard Sale is July 27th 8 - 2. We will have a table near the Fire Station again this year.

- 1) Will bring the rifle again this year plus the school bell, one of the Crossman Tavern lanterns, and maybe the old ballot box. To be affirmed.
- 2) Someone needs to call Fire Dept to ask for spot. Heather will call and let us know.
- 3) Bring 1976 history books again to sell.
- 4) Be prepared to tell people how to link to the presentations.
- 5) Bob will get schedule out for people to sign up. Need at least 2 people there at all times.
- 6) New supply of business cards was bought and will be handed out.
- 7) Petty cash needed to make change.
- 8) Need table, chairs, and canopy.

Future presentation topics:

September – Dave – Clarendon Springs & Edmund's Essay by Dave when he was a school kid

October – Garret – Native Americans

November – Ed – Railroads (speaker from local railroad group)

Other possibilities are Judge Theo Harrington - Rutland Herald article of when monument placed, the mineral & iron ore operations, and a talk on Nichols Powers by Vt State Architectural Historian Devin Colman

It was also suggested we do a night to demonstrate the website and how to negotiate through it.

Makayla volunteered to create a new Facebook page for us to get us started in the correct manner suggested by Janet Keefe. She cannot serve as Administrator and will need to turn it over to those who can do that.

Makayla volunteered to photograph old homes for us. Bob will compile a list of homes we need photos of, the first list being homes 150+years old.
